Description

WE HELP BUSINESSES WITH:

CONNECT TO YOUR CUSTOMERS

Madrone Communication is a Central Oregon web design, web development, and digital solutions company. We are a digital communications team that wants to help you connect to your community. From creating websites to custom app development; copywriting to digital strategy; and newsletters to SEO services; we help people spend their time on what really matters.

default watermark

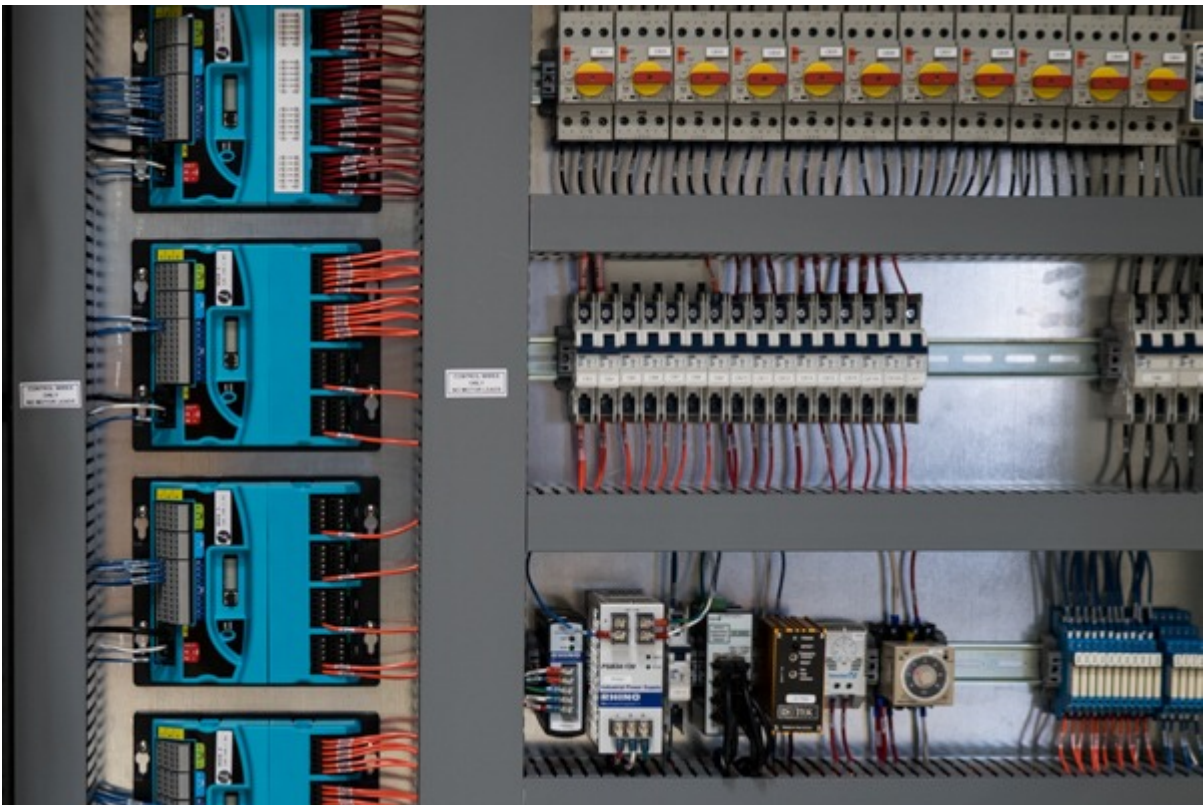

South San Francisco Conference Center

GlobalPDX

We did a complete branding and logo design, website design and development, and created debut conference materials for this Portland nonprofit.

Laguna Industries

We designed the Laguna Industries website and assisted with project management to help bring new products to market.

Mortenson Center at the University of Colorado

We redesigned the website for this engineering lab at the University of Colorado, Boulder.

Portland Pet Stores

SweetSense

We designed and developed the website for this international-reaching engineering company, designed a White Paper, and developed the ability to stream in their international data into their website.

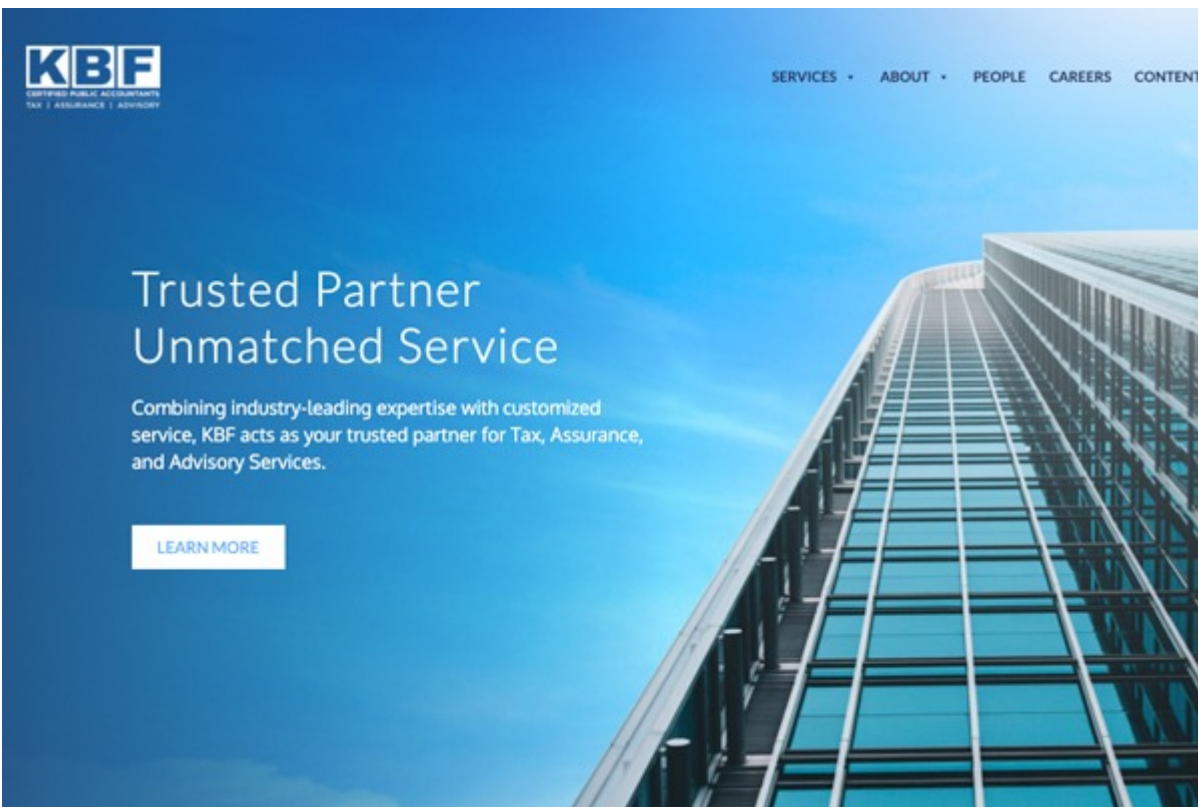

Shanti Om Yoga

Baker Rock Landscape & Decorative

We designed and developed a website to highlight a new branch of a 70 year old company.

KBF CPAs

We redesigned and built a modern and informative website for this national accounting firm.

Portland Defender

A hack recovery client initially, we rebuilt Portland Defender's website, and developed a unique web application to help them gain more leads.

Family Dentistry of Colorado Springs

We helped with project managing, branding and logo design, as well as creating Google Suites email addresses and managing the design and development of a new business site.

HEES Enterprises

We designed and developed the website for HEES Enterprises, as well as custom designing a manufacturer filter and sort function.

Global PDX

We did a complete branding and logo design, website design and development, and created debut conference materials for this Portland nonprofit.

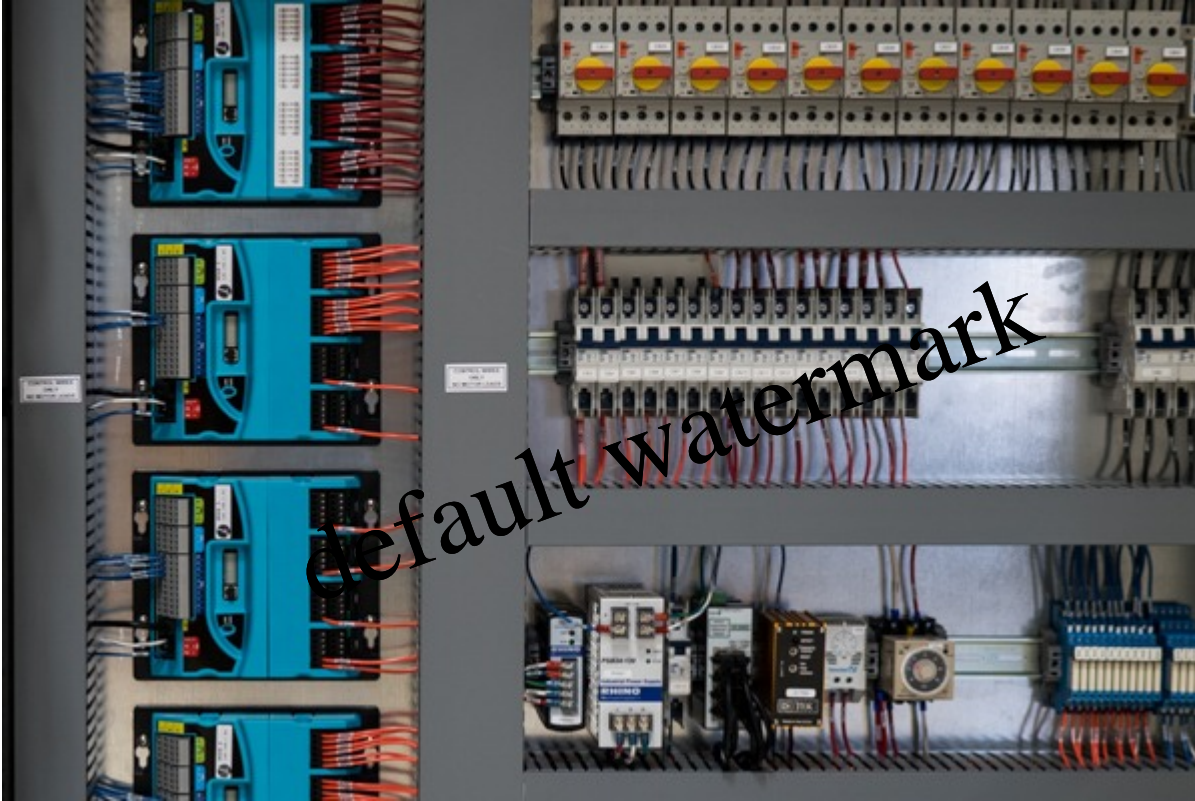

SweetSense

We design and developed the website for this international-reaching business, designed a whitepaper, and developed an app to stream in international data to the website.

Portland Defender

A hack recovery client initially, we rebuilt Portland Defender's website and developed a unique web application to help them gain more leads.

Laguna Industries

We designed the Laguna Industries website and assisted with project management to help bring new products to market.

MKA Consulting

We designed and developed an ECommerce website from scratch using materials from an established consulting company.

Family Dentistry of Colorado Springs

We helped with project managing, branding and logo design, as well as creating Google Suites email addresses and managing the design and development of a new business site.

MCEDC

We redesigned the website for this engineering lab at the University of Colorado, Boulder.

Baker Rock Landscape & Decorative

We designed and developed a website to highlight a new branch of a 70 year old company.

HEES Enterprises

We designed and developed the website for HEES Enterprises, as well as custom designing a manufacturer filter and sort function.

DESIGN, MANAGEMENT, SUCCESS!

Let us help manage your online community. Madrone Communication offers clients website development in Central Oregon; content creation; communication and digital strategies; website and newsletter management; and results-oriented design work. Based in Sisters, Oregon and available internationally via the world wide web.

Website Design

We offer premium website design for all sorts of businesses. Let us know what you need, and we can come up with a custom package to suit the needs of your business.

SEO

Let us increase your search results with Search Engine Optimization (SEO), Pay-per-Click Advertising (PPC), Social Media Marketing (SMM) and Search Engine Marketing (SEM).

Hosting & Email Management

We offer managed WordPress hosting with 99% uptime, security, updates, and backups. We also offer Google Suites setup and management services.

Website Management

Have an existing website that takes too much time to learn and update? Let us do it for you! Fluent in a variety of platforms including WordPress, Squarespace, and many others.

Custom Development

We help create custom business solutions through website applications designed to solve almost any problem. Tell us your company's pain point and let us do the rest.

Digital Strategy

Let us work with you to promote new products, and build market momentum with digital strategy, refined user experience, and creative design.

Evan Thomas

CEO, SweetSense

“The Madrone Communication team has worked with our company for the past three years. They are invariably responsive, constructive and cost effective. We consider the Madrone team part of our team.”

Marissa Streyle

Coordinator, GlobalPDX

“Eli has been a tremendous resource for GlobalPDX. I appreciate his willingness to explain the how and why of things, his understanding of our work and audience, and his ideas for improving our website. He has been easy to work with and very responsive to us. I feel fortunate to work with him and am looking forward to continuing to do so.”

Troy Pickard

Attorney, Portland Defender

“Excellent – once again, Eli came to my rescue. He truly knows what he’s doing, and I would be happy to work with Madrone Communication again and again.”

Scot Bolsinger

Chief Of Staff, Off Road (formerly)

“Madrone Communications is a high quality, personalized service in a digital age of depersonalization. I couldn’t recommend them highly enough.”

Kevin Schrandt

Owner, Local Fresh

“‘Jack of all trades’ is often overused to describe multi-talented/multifaceted individuals, but that’s exactly what Eli is, and what Madrone Communication delivers: a bit of everything for a successful online presence.”
